

Name of Journal: World Journal of Gastroenterology

Manuscript NO: N/A

Manuscript Type: Retrospective Cohort Study

Prevalence of Anal Fistula in the United Kingdom

Suvi R. K. Hokkanen, Naomi Boxall, Javaria Mona Khalid, Dimitri Bennett, Haridarshan Patel

Informed consent statement: THIN data is non-identifiable and utilises an opt-out data scheme; patients who register for a GP practice which contributes to THIN are informed that their records will be included in the dataset and are given the option to not participate. Where patients do opt-out, their data are not collected.

Sincerely,

A handwritten signature in black ink, appearing to read 'Hari Patel', with a long horizontal flourish extending to the right.

Haridarshan Patel
