**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 4696

The manuscript has been improved according to the suggestions of reviewer 00070046:

- Format was clarified by shortening the length and changing the degree of depth to fit the manuscript in the editorial category.

Revision has been made according to the suggestions of the editor:

- Full names were added in the authors section
- Core tip added
- PMID and DOI codes added
- Language was edited to grade A level by AMedior, they will forward a confirmation letter of editing service

In the 4696-review document you will find two parts, the first depicts what we edited before sending it to AMedior. The second part is including the language editing done by AMedior, the final version. We thought it best to send it to you in this manner so you could evaluate all the changes made.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,
