Jianpi Qingchang decoction alleviates ulcerative colitis ...

https://www.researchgate.net/publication/313872745_Jianpi...

Figure 4 Jianpi Qingchang decoction reduced mRNA levels in mice with dextran sodium sulfate-induced colitis. IL-1 β (A), IL-8 (B), TNF- α (C) and NF- κ B (D) in colon were determined by RT-PCR.

Systems pharmacology in drug discovery and therapeutic ...

https://www.researchgate.net/publication/237056209_Systems...

Systems pharmacology is an emerging field that integrates **systems** biology and **pharmacology** to advance the process of drug discovery, development and the understanding of therapeutic **mechanisms**.
