

Dear reviewers,

thank you for reading our manuscript and for your kind remarks on our paper. We closely followed your instructions:

1. We added a running title to the manuscript.
2. We provided the author contributions.
3. We provided the certificate for funding agency for FNP support.
4. We added contact information.
5. We recorded an audio core tip.
6. We modified the Case Presentation section according to your requirements.
We divided the information into 4 sections: Case Presentations, Final Diagnosis, Treatment, Outcome and Follow-up.
7. We checked the References sections for repeated references and PMID and DOI numbers.
8. We created a ppt document comprising moveable and decomposable figures.

Thank you for considering our manuscript for publication in your Journal.

Kind regards,

Wojciech Figiel

Marcin Morawski
