

Answering reviewers

Thanks for your reviewing and advice! I have revised this manuscript according to your suggestion.

1. Add the word "that" between the words "shows" and "pathological" in the subtopic "conclusion" at the Abstract;

This word has been added at the line 8, page 3 which has been highlight in yellow.

2. Specify which antibiotics were used in the patient's treatment in the topic "Treatment";

The name and dose have been added at line 14 and 17 in page 7 , line 1 and 2 in page 8 which have been highlight in yellow.

3. Specify which drugs were used in chemotherapy in the topic "Outcome And Follow Up".

The drug has been added at line12 and 13 in page 8 which have been highlight in yellow.
