

Dear Editorial Review Board,

We greatly appreciate your feedback. We have made the following changes to our document.

- 1) Title was changed to provide uniqueness
 - 2) Running title was added
 - 3) ORCID numbers were added
 - 4) Zip codes added to author information
 - 5) Abstract word count increased to over 200 words
 - 6) Core tip word count increased to 70 words
 - 7) Audio file was added
 - 8) All in text citations made to superscript
 - 9) PMID and DOI added to references. All authors listed.
 - 10) All figures separated and placed in a ppt file
 - 11) All abbreviations explained at the bottom of the table.
-
- 1) The first few sentences in the second paragraph under the heading “Orbera Balloon” have been shortened and rephrased. This was highlighted under reference 1 in the CrossCheck report.
 - 2) The second and third sentence in the second paragraph under the heading “The ReShape Duo” has been shortened and rephrased. This was highlighted under reference 1 in the CrossCheck report.
 - 3) The second sentence in the first paragraph under the heading “Other Intra gastric Balloons and Space occupying devices” was rephrased. This was highlighted under reference 2 in the CrossCheck report.
 - 4) The third sentence in the second paragraph under the heading “Other Intra gastric Balloons and Space occupying devices” was rephrased. This was highlighted under reference 2 in the CrossCheck report.
 - 5) The latter half of paragraph two under heading “Endoscopic Sleeve Gastroplasty” was shortened and rephrased. This was highlighted under reference 1 in the CrossCheck report.
 - 6) The first two sentences in the first paragraph under the heading “Small Bowel Endoscopic Bariatric Therapies” were rephrased. This was highlighted under reference 2 in the CrossCheck report.

Please see the attached document with the highlighted changes. We appreciate your time and thank you for your feedback.

Sincerely,

Jason Glass, MD PGY-5
