**Name of journal:** World Journal of Clinical Cases

**Manuscript NO:** 47968

**Title:** Gonadotrophin-releasing hormone agonist-induced pituitary adenoma apoplexy and casual finding of a parathyroid carcinoma: A case report and review of literature

**SPECIFIC COMMENTS TO REVIEWER**

Dear reviewer, thank you very much for your time, the changes requested in the article have been made.

1 In the Introduction section, additional data about Functioning Gonadotropins Adenomas have been included in the second paragraph, with this, we hope that the objective of the article is clear.

2 Grammatical errors have been corrected throughout the article, which had not been previously assessed

3. Newly publications have been included
