Evaluation and Treatment of Adrenal Insufficiency in the ...

<https://www.reliasmedia.com/articles/144073-evaluation-and-treatment-of-adrenal...> ▾

Introduction

Epidemiology and Etiology

Pathophysiology

Clin

First described by Thomas Addison in 1855, adrenal insufficiency is the clinical manifestation of glucocorticoid deficiency, with or without mineralocorticoid and adrenal androgen deficiency. Adrenal insufficiency was universally fatal until cortisone was synthesized in 1949, and it continues to be
