

Biostatistics statement

3 April 2019

To whom it may concern

Title of Study: The Regulatory effect of the Chinese herbal medicine
thorowax root, scutellaria root and white peony root on non-alcoholic
fatty liver disease

This letter is to confirm that I have read the ethics application prepared
for this study, and that in my opinion the statistical methods and
techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

Ying Zhang

Ying Zhang, Ph.D., Center for Evidence-based Traditional Chinese
Medicine, Beijing University of Chinese Medicine, No.11 Beisanhuan
Donglu, Chaoyang District, Beijing 100029, China.
