To the editorial office of the World Journal of Clinical Cases:

I hereby certify that I have edited the following Paper and that it is clear and free of errors. I am a professional English Language Coach and Consultant from the U.S. now based in Tokyo, and I have rendered the Paper as correct as possible in keeping with the intent of the author's message. I guarantee the quality of the edit and all changes have been accepted by the author with no further changes made to my knowledge.

Title of the Paper

**HER2 Heterogeneity is a Poor Prognosticator for HER2 Positive Gastric Cancer**

Author

**Dr Akio KAITO**

Thank you for your time and attention.

Sincerely,  
Dr John D Hixson
