

Biostatistics Statement

Title: Evaluating the Risk of Adverse Events with Interventional ERCP and EUS Procedures in Cirrhotic Patients

This statement is to confirm that I have read the application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for this research.

Please contact me if you have any queries.

Sincerely,

A handwritten signature in black ink, appearing to read "Jordan Epistola". The signature is fluid and cursive, with the first name "Jordan" being more prominent than the last name "Epistola".

Jordan Epistola, Graduate Student, Department of Psychology, University of Maryland, College Park.
