

**Name of journal:** *World Journal of Hepatology*

**ESPS Manuscript NO:** 4936

**Columns: Case Report:A Fascinating Presentation of Hepatic Hydrothorax.**

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) to give an estimate of volume of pleural effusion.

I discussed with radiologists at our institute and as the X-ray films are taken in supine positions, unfortunately, it is not possible for us to estimate the volume of pleural fluid.

(2)To cite a review article.

We have cited a review article in our manuscript. The PMID 17645471 article mentioned by the reviewer is already cited in our manuscript. It is the reference number 7.

(3)spell out w/u.

3 References were updated by adding PMIDs.

4 Figures were merged and uniform legend used.

5. A running title as added.

Regards,

Hassan Tariq M.D.
