

September 10, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 4944-review.doc).

Title: Giant cystic lymphangioma originating from the lesser curvature of the stomach

Author: Thijs Ralf van Oudheusden, Simon Willem Nienhuijs, Thomas Bernard Joseph Demeyere, Michael Derek Philip Luyer, Ignace Hubertus Johannes Theodorus de Hingh

Name of Journal: *World Journal of Gastro-intestinal surgery*

ESPS Manuscript NO: 4944

The manuscript has been improved according to the suggestions of reviewers:

- Language was edited to grade A level by Ameditor, they will forward a confirmation letter of editing service
- Information about pathological analysis was added, including 2 extra figures depicting important histological findings, therefore one author was added to this case report
- Nerve entrapment was mentioned according to the reviewers comment

Thank you again for publishing our manuscript in the *World Journal of gastro-intestinal surgery*.

Sincerely yours,

Ignace HJT de Hingh, Thijs R van Oudheusden
