

June 14th, 2019

To:  
Prof. Gianluca Colussi  
Department of medical area (D.A.M.E.)  
University of Udine

Dear prof. Gianluca Colussi,

Titled of proposal:

**“Fattori predittivi di risposta sostenuta ai nuovi antivirali diretti contro HCV e sviluppo di epatocarcinoma o morte in pazienti con epatite cronica HCV-relata: studio retrospettivo”**

The IRB of Dame has discussed the mentioned protocol in the session of June 12, 2019.

This letter is to officially confirm you of the approval number (17/IRB\_COLUSSI\_2019) of your project by the Institutional Review Board of the Department of Medicine, University of Udine.

Sincerely,

The President of I.R.B.  
Prof. Massimo Baraldo
