

Associate Professor John Murray  
School of Mathematics and Statistics, &  
The Kirby Institute  
University of New South Wales

The Editor  
World Journal of Gastroenterology

Dear Editor,

I am a native English speaker and have authored over 50 articles in Australian and international mathematics and biomedical journals. I can confirm the comments by the Reviewers that this Editorial is well-written. Any minor grammatical errors have been corrected and the manuscript now surpasses the Journal's language B grade.

Yours sincerely

*Associate Professor John Murray*
