Editorial Board

World Journal of Orthopedics

Dear Editorial Board,

On behalf of all authors, I would like to resubmit our manuscript, "Postoperative Delirium after Major Orthopedic Surgery," for consideration as an original article. The attached revised manuscript has the following changes:

1. A running title is added
2. ORCID numbers for all authors are added
3. Data sharing statement is added
4. Author names and manuscript title is added after the core tip section
5. Section titles are reformatted
6. Subsection titles are added
7. Article Highlights section is added
8. References section is updated
9. Abbreviations in figure legends are explained

Comments from reviewer: the paper: Postoperative Delirium after Major Orthopedic Surgery is very well written with clear methodology and important content and data to the orthopaedic community

[Response: Thanks for your comments.](#)

This manuscript has not been previously published and is not under consideration in the same or substantially similar form in any other peer-reviewed media.

All authors listed have approved the submission, contributed sufficiently to the project to be included as authors, and all those who are qualified to be authors are listed in the author byline.

Please feel free to contact me with any further questions.

Sincerely,
