### BAISHIDENG PUBLISHING GROUP CO., LIMITED COPYRIGHT ASSIGNMENT

September 20, 2013

Title: Extracorporeal Membrane Oxygenation for Pediatric Respiratory Failure: History, Development and Current Status

Author: Anna Maslach-Hubbard, Susan Bratton

Name of Journal: *World Journal of Critical Care Medicine*

ESPS Manuscript NO: 5015

Enclosed you will find our revised manuscript, response to reviewer comments and this limited copyright assignment.

We hope that the revisions make the work acceptable for publication by the World J of Critical Care. We affirm that:

- 1 The manuscript is not simultaneously being considered by other journals for publication.
- 2 The manuscript has no redundant publication, plagiarism, data fabrication or falsification.
- 3 There is no conflict of interest for either author in the paper.
- 4 The work does not include any original data with experiments using either animal or human subjects.
- 5 The material contained in this manuscript is original, except when appropriately referenced to other sources, and that written permission has been granted by any existing copyright holders.
- 6 We agree to transfer to Baishideng Publishing Group Co., Limited all rights of the manuscript, including: (1) all copyright ownership in both print and electronic formats; (2) the right to grant permission to republish or reprint the stated material in whole or in part, with or without a fee; (3) the right to print copies for free distribution or sale; and (4) the right to republish the stated material in a collection of articles or in any other format.
