FROM: Peter Iafrate, Pharm.D  
Chair IRB-01  
IRB#: **IRB201300601**  
TITLE: PROMIS Self-Efficacy Item Pool Field Test: Data analyses using IRT

**Approved as Exempt**

You have received IRB approval to conduct the above-listed research project. Approval of this project was granted on 11/5/2013 by IRB-01. This study is approved as exempt because it poses minimal risk and is approved under the following exempt category/categories:

7. Non-Human

**Approval Includes:**

Use of a de-identified data set (not coded) from University of MD. Results must be reported in an aggregate form.

**Special notes to Investigator (if applicable):**

**Reviewer Notes:** 0 Reviewer Notes

**Principal Investigator Responsibilities:**

The PI is responsible for the conduct of the study. Please review these responsibilities described at: <http://irb.ufl.edu/irb01/researcherresponsibilities.htm>  
Important responsibilities described at the above link include:

- Using currently approved consent form to enroll subjects (if applicable)
- Renewing your study before expiration
- Obtaining approval for revisions before implementation
- Reporting Adverse Events
- Retention of Research Records
- Obtaining approval to conduct research at the VA
- Notifying other parties about this project's approval status
