

## Supplementary Materials

**Supplementary Figure 1.** Quantitative analysis of IGF2BP1 expression by western blot in pancreatic cancer tissues and adjacent normal tissues. <sup>a</sup> $P < 0.01$  vs Normal group.

**Supplementary Figure 2.** Flow cytometry assays of cell apoptosis after transfection in Panc-1 and Panc 0327 cells.

**Supplementary Figure 3.** Flow cytometry assays of cell apoptosis after transfection in Mia PaCa-2 cells.
