

## Format for ANSWERING REVIEWERS

August 16, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 5034-review.doc).

**Title** *Priming tooth surface with Chlorhexidine and antibacterial activity of resin cement.*

**Author:** Monika Saini, Yashpal Singh, Rishabh Garg, Anita Pandey

**Name of Journal:** *World Journal of clinical sciences*

**ESPS Manuscript NO:** 5034

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) Title is made brief and specific. It is not more than 10-12 words now. Names of the authors and their affiliations have been added. Authors contribution has been marked.

(2) Telephone and fax no. of corresponding author has been provided.

(3) The result has been updated. Key words have been provided. Core tip is also added.

(4) Reference numbers have been re-formatted.

(5) Headings have been revised.

(6) PMID and DOI numbers have been added to the references except reference no. 2 whose first page is provided in separate file.

(7) I request you to make changes in format of tables accordingly as I do not want to lose information provided in the tables by reformatting them.

(8) Colour figures are in TIFF format and in separate file.

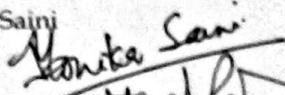

3 References and typesetting were corrected
