

## **Manuscript reply letter**

**Q:** This is an interesting case report on a rare disease necessitating lung transplantation. The case report is well written and extremely useful for physicians dealing with such disease. The literature review is complete and updated

**R:** Thank you very much.

**Q:**All figures, tables and legends should not be in the main text. They should be put at the end of this paper.

**R:** I have put all the pictures at the end of the text and arranged them in the PPT.

**Q:**Scale should be provided for the pictures of the results of cellular immunostaining. In addition, magnification should be marked in the notes of the pictures.

**R:**I have marked the magnification in the pathological picture

**Q:**Please check and confirm that there are no repeated references!

**R:**I have confirmed that there are no duplicate references

**Q:**很抱歉通知你，你提供的知情同意书不符合我们的要求。请提供患者本人或家属签署的手术同意书或者其他治疗前签署的同意书中文版原件并加盖单位公章。请扫描为 PDF 版

**R:**Dear editor, I feel sorry that I have consulted the hospital administration department, and the original informed consent for surgery of patients cannot be sealed in our hospital and I have tried my best to copy the original and stamp the hospital seal.
