

Consent Form – Case Reports

For a patient's consent to publication of information about them contained in Case Reports

Title of case report: Escitalopram-induced Liver Injury: A Case Report and Review of Literature

Name of person described in the case report: [redacted]

Author: Qin Xiang Ng

I give my consent for this information about myself relating to the subject matter above to appear online and other associated publications.

I have seen and read the material to be submitted to the journal and understand the following:

1. Every attempt to ensure my anonymity will be taken, including removing my name from the case report. I understand, however, that complete anonymity cannot be fully guaranteed (for example, those who looked after me in hospital or a relative may be able to identify me from the details of my case).
2. The information will not be used for advertising purposes nor used out of context.
3. I can revoke my consent but only before the information has been sent to the publisher, uploaded to the website or in any other way e-published.
