Emma Coghill

Dear Emma

Programme of study:	PhD
Mode of Study:	Full-time
Duration of Study:	3 years (regular registration period with the option to apply for a final 6 months if required)
Study Location:	Institute of Health Research and Innovation, UHI
Start Date:	1 September 2018
End Date:	31 August 2021
Director of Studies	Professor Ian Megson
PhD project:	Evaluation of novel nanoporous material coatings for use in interventional cardiology

I am writing to inform you that the University of the Highlands and Islands has assessed your research degree application and is pleased to provide you with an UNCONDITIONAL offer of admission for academic session **2018/19**.

Your PhD studentship is funded by the European Social Fund and Scottish Funding Council as part of Developing Scotland's Workforce in the Scotland 2014-2020 European Structural and Investment Fund Programme.

Please advise whether you wish to accept this offer, and sign and return a copy of the attached studentship letter to Gradresearch@uhi.ac.uk or the address above, within two weeks of the date of this letter.

Your Director of Studies will contact you shortly with regards to commencing your study. For further information about being a UHI research student please visit the Graduate School website at <http://www.uhi.ac.uk/en/research-enterprise/grad-school>.

University of the
