RE: Vitamin C ameliorated cardiac autonomic neuropathy in type II diabetic rats

ABUAD Ethics Committee assigned number: ABUAD-AREC/2018/131.

Name of Principal Investigator: Temitope D. Fabiyi-Edebor

Address of Principal Investigator: Department of Physiology

Afe Babalola University

Ado Ekiti

Date of Receipt of Valid application: 15/07/2018

Date of Approval: 19/10/2018

This is to inform you that the research described in the submitted protocol has been reviewed and given full approval by the ABUAD ethics committee.

The national code for animal research requires you to comply with all institutional guidelines, rules and regulations. No changes are permitted in the research without prior approval by ABUAD AREC except in circumstances outlined in the code. The ABUAD AREC reserves the right to conduct compliance visit to your research laboratory without previous notification.
