

No 2019/09/20

To Whom It May Concern,

UAB „Vertimai" provided comprehensive editing services for Manuscript NO: 50968 (Postpartum pubic symphysis diastasis: conservative and surgical treatment methods, incidence of complications. Two cases and literature review) by Kristina Norvilaite, Monika Kezeviciute, Diana Ramasauskaite, Audrone Arlauskiene, Daiva Bartkeviciene and Valentinas Uvarovas which is under consideration for publication in your journal. The editing has achieved Grade A: priority publishing; no language polishing required after editing. Should you require any additional information, please do not hesitate to contact me.
