

## CERTIFICATE OF EDITING

To whom it may concern:

This certificate confirms that the manuscript detailed below has been edited by a professional English-language editor. The text as edited is grammatically correct. The authors are able to accept or reject suggestions and changes to the document after completion of this editing process and prior to submission to their preferred journal.

Academic Editorial Services has provided editing services to researchers and publishers worldwide since 1999. Past projects undertaken and details of editing and copyediting skills can be viewed on my website at [www.academic-edit.com.au](http://www.academic-edit.com.au)

**Document title:** Oral manifestation in inflammatory bowel disease, a review

**Date completed:** October 14, 2013
