The manuscript being submitted by Professor Ivan Shabo was carefully proof-read by one of the co-authors, Dr. James Hulit (PhD).

Dr. Hulit is a United States born research scientist, whom was educated at U.S. schools including Morristown High School and Montclair State University in New Jersey and achieved a doctoral degree at the Albert Einstein College of Medicine in New York City. Furthermore, Dr. Hulit has authored or co-authored 30+ scientific papers, review and book chapters all written in his native English language.

A handwritten signature in dark ink that reads "James C. Hulit". The signature is fluid and cursive, with the first name "James" being the most prominent.
