

Dear Editor, Ying Dou:

We are very glad to hear from you. As the author of the article, we would like to thank your dear publication for the acceptance of our manuscript (Manuscript NO: 51418).

We revised the article as required, and list the explanations for the changes

1. we provide the first page of the grant application form, and re-upload the informed consent.

2. The audio core tip has been uploaded by mp3 form with the manuscript.

3. We rewrote the case report in the required format.

4. we add PubMed citation numbers (PMID) and DOI citation to the reference list and list all authors name. The first page of every reference was uploaded in PDF form. We repeatedly checked the citations, but did not find repeated reference. The 12th and 13th reference are different types articles written by the same author at different times. If you find anything wrong, please let us know and we will correct it as soon as possible.

5. As written in the manuscript, this operation was performed by the cooperation of Professor Tian Yantao and Professor Wang Xishan from the China National Cancer Center. In order to meet the requirements of dear publication WJCC at the time of submission, we only filled in Professor Tian as the corresponding author. Professor Tian Yantao is an expert on gastric cancer, and Professor Wang Xishan is the chairman of the China NOSE Alliance and International Alliance of NOSES, he is an expert on gastrointestinal cancer, especially the colorectal cancer. Professor Wang and Professor Tian Yantao have promoted the development of the gastric NOSE surgery of China and Professor Wang is the main designer of this surgery. I think it is more convenience of readers who are interested in or have any questions about surgery to contact with two corresponding authors. we will provide fragmentary or complete surgery video for experience exchange. With the approval of all the authors, in order to show respect and conformity with the facts, **we apply to list professor Wang Xishan and professor Tian Yantao both as the corresponding authors.** We are looking forward to your reply.

Yours sincerely

Peng Sun
