Are photographs included in this submission? ☒ Yes ☐ No only CT Scan

I [redacted] [insert full name] give my consent for this information about MYSELF/MY CHILD OR WARD/MY RELATIVE [circle correct description] relating to the subject matter above ("the Information") to appear in the journal.

Select one of the following options:

- ☐ I have had an opportunity to review the article to be submitted to the journal.
☒ I have been presented with a summary of the proposed article content.

The following has been explained to me:

1. The Information will be published without my name attached and author will make every attempt to ensure my anonymity. I understand, however, that complete anonymity cannot be guaranteed. It is possible that somebody somewhere - perhaps, for example, somebody who looked after me if I was in the hospital or a relative - may identify me.
2. The text of the article will be edited for style, grammar, consistency, and length.
3. The Information may be published in the journal, which may be distributed worldwide. The journal goes mainly to doctors but is seen by many non-doctors, including journalists.
4. The Information may also be placed on the journal website,
5. The Information may also be used in full or in part in other publications and products with whom the publisher may share its content. This includes publication in English and in translation, in print, in electronic formats, and in any other formats that may be used by the publisher or its licensees now and in the future.
6. I can revoke my consent at any time before publication, but once the Information has been committed to publication ("gone to press") it will not be possible to revoke the consent.
