after the treatment of Dabrafenib and Trametinib. The manuscript is well-written and provides some valuable drug treatment regimen about radiation recall dermatitis without discontinuing the original medicine. However, minor revisions should be made.

1. Two references are preferred to be added: "Introduction", Line1-5, Page1 "Discussion", Line6-8, Page3
2. Radiotherapy regimen should be clarified clearly. Please see "Case Report", Line8-9, Page2.
3. Pathological pictures of the dermal biopsy should be added. Please see "Case Report", Line15-17, Page2.
