

Dear Editor,

Thank you for carefully reviewing our manuscript previously titled “**Efficacy of comprehensive rehabilitation therapy for checkrein deformity**” for possible publication in the *World Journal of Clinical Cases*. We are grateful to you and your reviewers for their constructive critique. We have revised the manuscript, highlighting our revisions in red. and have attached point-by-point responses detailing how we have revised the manuscript in response to the reviewers' comments below.

Thank you for your consideration and further review of our manuscript. Please do not hesitate to contact us with any further questions or recommendations.

Yours Sincerely,

Jianxian Wu, Department of Rehabilitation Medicine, The second Hospital of Anhui Medical University and Anhui Medical University, Hefei, 230000, China. Email: ay2fyjianxianwu@126.com. Telephone: +86-0551-65997013. Fax: 0551-63869400

Reviewer Comments:

Reviewer #1: 01220036

Response to comment: needs lot of editing as regards grammar

Response: Considering the Reviewer's suggestion, we have edit.

Reviewer #2: 02444795

Response to comment: A comprehensive review. Interesting case discussion, in the 'Final Diagnosis' section please delete 'paralysis of the common perineal nerve' as it was only a sensory component that was damaged most likely due to the surgical procedure

Response: Considering the Reviewer's suggestion, we have delete 'paralysis of the common perineal nerve'. Thanks to you for your good comments.

Reviewer #3: 02691156

Response: Thanks to you for your good comments.
