To Whom It May Concern,

The manuscript titled 'Update on quinolone-containing rescue therapies for *Helicobacter pylori* infection' was edited by John Surya, a Medical English instructor at the Jikei Medical University, Tokyo, Japan. I believe this document is English-ready for publication in World Journal of Gastroenterology.

Should you require any additional information, please do not hesitate to contact me

  
John Surya

Assistant Professor of Medical English

Jikei Medical University
