Title: Intestinal T-cell lymphomas: A retrospective analysis of 68 cases in China

Author: Zhi-Huan Sun, Hai-Meng Zhou, Guo-Xin Song, Zhong-Xiao Zhou, Liang Bai

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 5277

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) Some grammatical errors and misprints throughout the text have been corrected earnestly.

(2) A table presented with extensive data is a good suggestion. In fact, there was a table like that, but I deleted it because I was afraid of the restatement among the table and in text. Now I attach the table in text.

(3) In conclusion section, I have discussed the results in greater depth according to the suggestions of the reviewer.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,
