

## **Answering reviewers**

Reviewer 1:

Comments for ESPS Manuscript NO 52919 This article is interesting, however, I don't think it is suitable to be published in a journal as WJG.

Reviewer 2:

Congratulations. We conditioned the publications to the offering examples of questions to allow the readers evaluate the difficulty level.

Reviewer 3:

I have no specific comments. the manuscript is a well written one.

Answering reviewers:

There were no specific comments to answer from reviewer 1 and 3.

Reviewer 2 asked for specific sample questions - these are in the website mentioned in the paper. All other questions are in a safe question bank to be used in future Exams
