

INFORMED CONSENT STATEMENT

Name of Journal: World Journal of Gastrointestinal Surgery

Manuscript NO: 05122710

Manuscript type: Observational study

Feasibility of Robotic Assisted Bladder Sparing Pelvic Exenteration for Locally Advanced Rectal Cancer : A single institution case series

Nathaniel H. Heah, Kar Yong Wong

Informed consent statement: Patients were not required to give informed consent to the study because analysis used anonymous data that were obtained after each patient agreed to treatment by written consent.

Sincerely,

Dr Kar Yong Wong
