

Dear Editor:

Hope everything is going well with you.

My manuscript (ESPS Manuscript NO: 5335) entitled “The classification, clinicopathologic significance, diagnosis, prognosis and treatment of gastric neuroendocrine tumor” has been reviewed by Jhaveri-Schneider, Sonal, English teacher of Dana-Farber Cancer Institute, Harvard University.

I write this letter to guarantee the English level of this paper.

Thank you so much for all your efforts!

With all my best wishes!

Sincerely yours,

Tingting Li
