Dear Dr. Rizwan Haroon Rashid,

Re: 3855-Sur-ERC-15. PI- Dr. Rizwan Haroon Rashid: Risk Factors and contamination of mobile phones in the Orthopedic Operating Room.

Thank you for your application for exemption from ethical approval received on 3/6/2015 regarding the above mentioned study.

Your study was reviewed and discussed in our meeting held on April 10, 2015 at Aga Khan University. Members' observation about point 10 in ERC form which was not adequately addressed was conveyed to you. Subsequently, after having received the corrected version of ERC form on 26th May, 2015, the study is given an exemption from ethical approval.

You may proceed with the study.

Thank you.

Yours sincerely,

Dr. Shaista Khan, FRCS (Edin.)
Chairperson
Ethical Review Committee
