Non-Native Speakers of English Editing Certificate

Manuscript number 53540

The diagnostic accuracy and clinical utility of non-English versions of Edinburgh Post-natal Depression Scale for screening post-natal depression in India: A meta-analysis.

I declare that the authors of the above manuscript are non-native English speakers; our revised manuscript has been reviewed for clarity by a colleague whose native language is English and by two co-authors certified by the International English Language Testing System.

**Dr. Paul S.S. Russell, MD.,DPM.,DNB.,
