

Certificate Confirmation Service

To whom it may concern,

This English editing certificate, certifies that the manuscript (number ID: 53578), entitled: "Immune response activation following hyperthermic intraperitoneal chemotherapy (HIPEC) for peritoneal carcinomatosis: a pilot study", authored by Giammaria Fiorentini, Donatella Sarti, Alberto Patrì, Emilio Eugeni, Francesco Guerra, Andrew Reay Mackay and Stefano Guadagni, under consideration for publication in *World Journal of Clinical Oncology*, has been edited for English by Professor Andrew Reay Mackay, a native English speaking citizen of the United Kingdom of Great Britain.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'A. Reay Mackay', with a long horizontal flourish extending to the right.

Andrew Reay Mackay. 29/12/2019
