Confirmation of English Editing Service Received

To whom it may concern:

This letter certifies that the Abstract, Introduction, Discussion, and Comments of the manuscript entitled “**Clinical meaning of *BRAF* mutation in Korean patients with advanced colorectal cancer**” were reviewed on October 31, 2013 and edited by a professional English editor/native speaker of English for grammar and syntax. The edited portions were submitted by the author for revision.

Sincerely,

A handwritten signature in black ink, appearing to read 'K. Stefani'.
