

Proofread My Essay

15/05/2020

To whom it may concern:

The purpose of this letter is to verify that Zhongshan U-YES Translation Service CO. LTD provided the English proofreading services for the following thesis :**A missed diagnosis of femoral profound artery rupture after femoral shaft fracture: A case report**

Author:**Dr Minjie, Shen**

The basic language editing including the correction of grammar, punctuation and syntax was performed normatively with our best efforts. And the edited document was returned to the writer on 15/05/2020. We are unaware of any changes or additions made to the manuscript after that time. We have kept the specimen of the received original file in case of any legal dispute.

Sincerely,

Hemy Graff
