Herbal Medicine in the Treatment of Ulcerative Colitis

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC3271691>

Jul 25, 2011 · **Ulcerative colitis** (UC) is a refractory, chronic, and nonspecific disease occurred usually in the rectum and the entire colon. The etiopathology is probably related to dysregulation of the mucosal immune response toward the resident bacterial flora together with genetic and environmental factors.
