Dear all

Your audit has been registered with the audit team under the Renal directorate

Please see below your registration number:

| Title  | Registration Number |
|--|---------------------|
| Comparison of outcomes between thromboelastogram directed anticoagulation and routine anticoagulation in simultaneous kidney and pancreas transplant recipients. | REN_010             |

Please include this title and reference number in all further correspondence to the Audit Team.

Kind regards

Raymond Ho
