### LANGUAGE EDITING CERTIFICATE

This is to confirm that the authors Panagiotis Lembessis and Antonios Chatzigeorgiou of the Manuscript ID 54329 (titled 'Metabolic inflammation as an instigator of fibrosis during non-alcoholic fatty liver disease') are native and professional speakers of the English language respectively. **The corresponding author of the manuscript confirms that the text of the revised manuscript has been revised by the native-speaker author Panagiotis Lembessis.**

With best regards,

Dr. Panagiotis Lembessis

Dr. Antonios Chatzigeorgiou, Corresponding author
