This is a very good study with a very well written paper. I congratulate the authors for this nice job. Please revise it: 1. Please fill in an English version of ARRIVE checklist. 2. Please fill in the STROBE checklist and add items necessary in STROBE. 3. Please discuss the limitations of the study. 4. Please provide the raw data files as appendixes or as supplementary online files. 5. Please calculate test powers. 6. In the introduction, please justify the study. (why it is important to the literature and what it adds?) 7. Please correct and improve few grammatical issues. 8. Please approach the conclusions with more caution.
