

Authorization for publication of case report

I, [REDACTED], give Dr. Ghoneim and her team at Case Western Reserve University/Metrohealth Medical Center permission to publish reproduce and distribute the attached case report regarding isolated colonic neurofibroma. I am aware that the case report does NOT mention my name or address but it does reflect my medical care, age, gender and medical history.

I have been told that the authors plan to submit the case report for publication to a medical journal for educational purposes. I will not be paid for this case report. I will not receive any compensation or royalties or any compensation in connection with any such publication or use.

I am not required to sign this form, and I may refuse to do so. My medical treatment will not be affected by whether or not I sign this document.

I may withdraw this authorization for any future sharing at anytime by notifying the attending physician in writing but my withdrawal will not affect information that has already been shared or published. This authorization has no expiration date.
