

## Statistical Analysis Confirmation

**Re: Title:** Medications in Type-2 Diabetics And Their Association With Non-alcoholic Fatty Liver Disease Related Advanced Fibrosis.

Date: 1/30/2019

Respected Editors,

Please accept this letter to confirm we have reviewed the statistical analysis performed for this study. Methodological techniques used in the statistics are appropriate for the research.

Please let us know if you have any questions.

Best regards,

Mohamed Tausif Siddiqui
