Re: Invitation ID 04122933: A comprehensive review of hemolysis in ventricular assist devices

To: The World Journal of Cardiology Editorial Office

Dear Sir or Madam,

We would like to kindly inform you that the English editing certificate for non-native speakers does not apply for this submission since the authorship includes native English speakers.

However, should you think that language editing is necessary, we will be happy to re-submit.

Kind regards,

Leonidas Palaiodimos, MD MSc
Assistant Professor of Medicine
