

Dear reviewers,

Thank you so much for taking out time to review our manuscript and suggesting valuable comments. We have updated the manuscript according to your recommendations and key remarks are attached below.

1. The manuscript has been reformatted in accordance to the journal requirement and all reviewer and editor comments have been accepted.
2. References have been updated with PMID and DOI
3. Separate PowerPoint presentation is attached with manuscript containing the images and figure legends
4. Title page has been updated with authors details, core tip, key words, citation and running title

Once again, thank you so much for reviewing our manuscript and providing key inputs.

Sincerely,

Subha Ghosh, MD,

Assistant Professor and Staff Physician,

Imaging Institute,

Section of Thoracic Imaging,

Cleveland Clinic,

9500 Euclid Avenue, L/10,

Cleveland, OH44195, United States.
