

Answers to Reviewers

Dear reviewers,

We appreciate much your valuable comments and have made changes in our manuscript according to them.

Reviewer comment	Authors answer
Abbreviations such as PMMA in Discussion and LLD in Tables should be spelled-out.	The abbreviations have been spelled out in the text and in the notes to the tables.
In lines 16 and 22 on page 12, there are blank brackets.	The reference list numbers (44, 70) have been supplied.
Also please check reference 78, URL with underline.	The URL of this reference has been corrected and it is possible to open the article. This reference has no PMID as the journal of the article is registered in the Scopus database only.
English-language correction	The text of the manuscript has been corrected in a number of places and the corrections are marked red font.

Thanks again for your time and efforts to help us.

Sincerely, authors
